SPRING / SUMMER 2027

T-Shirt 2751 709 Pants 2751 921

The new season is all about colour, natural tones and the courage to wear them.

Frapp S/S 2027 draws inspiration from architecture and nature: clean tones, bold contrasts, a silhouette that makes a statement.

Coconut Shell, navy blue and black ground the palette, whilst vibrant colours add accents.

Casually feminine or sporty and confident.

For the woman who defines her own summertime.

MAKING OF

7.30 am, Pool Haus Nuremberg, 1 June 2026. Kim applies the highlighter, the cove is still untouched, and somewhere between coffee number two and the first light test, the magic begins. 22 outfits, a summery interplay of light and shadow, and a highly motivated team.
